

## “HERO”

“Hero” has an impeccable, working pedigree. He has tremendous drive and temperament. His puppies will be suitable for Police K-9’s, Search and Rescue, detection, service, and therapy. Hero’s grandsire, Cliff, is a beautiful black, son of Blacky vom Neuen Lande (BSP champion in 1992) he is linebred Ignaz Oberscholvenerweg 4-4 and a Mink vom Haus Wittfeld grandson. Cliff brings power to the protection field, speed to the obedience, and confidence to the track. Cliff is the 1999 Rocky Mountain/Great Plains regional champion with a “V” score. The Koermeister reports Cliff as being good medium size, strong head, correct in the rear and confident and sound in temperament. Good full mouth grip and the dog does release. Hero’s grandmother, Reza, is SchH1, imported from Belgium and a dark black sable female. Reza has an outstanding working pedigree, which accounts for her drive. She is very self-confident, pushy, with intense drive. Umsa Bungalow, who is one of the greatest producing females in Germany, Natz Arolser, Grief Lahntal and many more, attribute to Hero’s super working pedigree.
